Good Morning,

I wanted to give you an update regarding the "No Left Turn Letter."

I received a similar letter with ALL the names on it. Additionally, Drew Cline (State Board Chair) and the State Board members got the same letter. Every school district with an identified teacher received the same letter (Specific to the identified educator).

I have consulted with The Assistant Attorney General assigned to our office (Chris Bond) and Atty. Diana Fenton.

Neither of these lawyers feel we have an interest in the allegations. We reviewed the same list back in the summer and the decision was the same. Moreover, the Day of Action in New Hampshire took place on June 12, 2021.

Therefore, it is believed that the signatures (if confirmed) were affixed to the "pledge" prior to HB2 becoming law.

I hope this helps a bit. If you have any additional questions, give me a call.

Thanks.

Rich
